For the safety and enjoyment of all of our guests, we require that visitors to The Laughin Barrel adhere to these policies: All groups of 10 or more require an advance reservation with credit card deposit. We welcome groups of 10-30 prior to 3pm for a tasting in our wine cellar, subject to availability. A reservation may be cancelled up to 3 days in advance and the deposit will be refunded. Any cancellation within 72 hours of the scheduled tasting or no-shows will forfeit their deposit. The cardholder assumes responsibility for any damages or expenses incurred as the result of the group's visit.

On the day of your group tasting, please call when you are on your way, about 10 minutes out. While we will do our best to accommodate you if you are running late, groups arriving more than 15 minutes late may forfeit both their tasting and deposit. We often have multiple groups scheduled each day, and therefore must have the tasting area cleared and re-set to host the next group. We appreciate your consideration for our other guests.

We are required by law to refuse service to anyone our staff deems to appear visibly intoxicated. If any member or members of your group appear intoxicated, you may forfeit your reservation and deposit, and be asked to leave. By law, outside alcoholic beverages are not permitted in the winery. For the comfort of all our guests, we maintain a family-friendly atmosphere. **Thank you for reading and understanding our policies, and we look forward to your visit! For any questions or to reserve your group tasting, please call us direct at 08 92961348**
